

Eighth Element™, is a custom blend of hybridized Cordyceps Sinensis, which has been shown to radically increase ATP Production, Stamina, Endurance, and Oxygen Absorption - proven to increase cellular energy up to 28%. Studies have shown Cordyceps' ability to stimulate and modulate the immune system, increase red blood cell counts, boost depressed immune function, and improve liver, kidney, cardiovascular, and respiratory function. USDA Certified Organic.

Suggested Use: 2 capsules per day with meals. When pregnant or nursing, consult a health care professional before use.
