"These super-yummy vitamin gummies are the first-ever to be
made from the same type of real, organic, Non-GMO fruits and
vegetables that my son eats (seriously, we put 9 whole, organic
fruits in every bottle!). We made them without sugar, animal
gelatin, artificial dyes and sweeteners or chemical vitamins.
I am so proud of them and pleased to share them with you.

Your kids are getting the essential nutrients they need,
without all of the other 'bad stuff' usually found
in kids gummies. Your kids will love them!"

Enjoy! Love, Alicia
