

B-NOX® Androrush® is the industry leader that has revolutionized the pre-workout category by supporting the body's natural testosterone response to exercise.^{††} With so many pre-workouts sharing similar ingredients and claims, B-NOX® provides bodybuilders and athletes the added focus and intensity that has made it famous. B-NOX® has been engineered, manufactured and tested in a cGMP certified facility.

WARNING: Not intended for use by persons under age 18. Do not exceed recommended dose. Do not use if pregnant or nursing. Do not consume caffeine from other sources, including but not limited to, coffee, tea, soda and other dietary supplements or medications containing phenylephrine or caffeine. Consult with your physician prior to use if you are taking medication, including but not limited to MAO inhibitors, antidepressants, aspirin, nonsteroidal anti-inflammatory drugs or products containing ephedrine, pseudoephedrine, or other stimulants. Consult your physician prior to use if you have a medical condition, including but not limited to, heart, liver, kidney, or thyroid disease, psychiatric or epileptic disorders, difficulty urinating, diabetes, high blood pressure, cardiac arrhythmia, recurrent headaches, enlarged prostate or glaucoma. Discontinue 4 weeks prior to surgery or if you experience rapid heartbeat, dizziness, severe headache or shortness of breath.

WARNING: This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

Natural Alternatives International (NAI) is the owner of patents as listed on www.carnosyn.com and registered trademark CarnoSyn®
