

OTHER INGREDIENTS: Cellulose, sodium croscarmellose, stearic acid, silica, tricalcium phosphate, magnesium stearate, hydroxypropyl methylcellulose, maltodextrin, polyethylene glycol, lecithin and sodium citrate.

SUGGESTED USE: As a dietary supplement, adults 2 caplets 30 minutes to 1 hour before bedtime or as directed by a health professional.

FOR FAST RESULTS: Double the usual dosage until maximum results are achieved, then lower the dose by 1/2 caplet each week to obtain the lowest dose that controls snoring.

WARNING: Pregnant or lactating women, consult with a health professional prior to taking this product.
