

PINEAPPLE ENZYME

Suggested Usage: 1 capsule, 1 or more times per day or as desired, preferably with meals with water or juice, or as directed by a health care professional.

Natural Factors Bromelain capsules contain 500mg of this incredible proteolytic enzyme isolated from the stem of the pineapple plant. Bromelain aids in digestion by breaking down protein into the various amino acids. Recent studies also show that Bromelain has many health promoting properties.* Natural Factors only uses extra-strength Bromelain, 1000 GDU (gelatin digesting units) and 1500MCU (or milk clotting units) of enzyme activity per gram. Superior enzyme activity makes Natural Factors Bromelain the choice for the wise consumer.

All Natural Factors products are manufactured according to Canadian Health Protection Branch Good Manufacturing Practices (GMP), among the highest standards in the world. ©MCMXCVIII
