

DIETARY SUPPLEMENT

Suggested Usage: 1 capsule just before consuming any food containing lactose or as directed by a health professional. Keep out of reach of children.

Lactase Enzyme breaks down the milk sugar, lactose, into an easily digestible form. *It effectively allows people, who have their natural enzyme compromised, enjoy lactose containing foods without discomfort. *Lactase Enzyme is the optimal support for the digestion of dairy products.*

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, color or sweeteners; no yeast. Sealed for your protection. Do not use if seal is broken. For freshness store in a cool, dry place.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
