Suggested Usage: 1-2 capsules with each meal, or as directed by a health professional. Keep out of reach of children.

Multi Enzyme capsules are the optimal digestive aid containing a full spectrum of plant-derived enzymes in a single supplement. To help improve the body's absorption of nutrients, these valuable enzymes break down carbohydrates, proteins and fats. This includes starch, polysaccharides, lactose and other sugars. Natural supplementation is an excellent way to replenish enzymes lost from foods during cooking and processing.*

Enzyme potencies are quaranteed at time of manufacture.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, color or sweeteners; no dairy, soy or yeast. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place,
