

Suggested Usage: 1 capsule, 1-3 times per day, preferably 30 minutes after meals or as directed by a health professional. Keep out of reach of children. If taking antibiotics, wait 2 hours before ingesting probiotics.

FOR MAXIMUM POTENCY REFRIGERATE

This synergistic combination supports intestinal tract health and contains goat milk, an excellent growth factor for beneficial micro-flora.* These cultures are freeze-dried to ensure long-term stability and maximum potency.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

† At time of manufacture guaranteed minimum 5 billion active cells per capsule.

Contains no artificial preservatives, color or sweeteners; no soy, starch, wheat or yeast. Sealed for your protection. Do not use if seal on cap is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
