

Suggested Usage: To maintain healthful intestinal flora, take 1 capsule, 1-3 times per day, 15 minutes before meals or 1 hour after. When taking antibiotics, take probiotic 2 hours before or 2 hours after antibiotic. Keep out of reach of children.

FOR MAXIMUM POTENCY, REFRIGERATE

This synergistic combination supports intestinal tract health and contains FOS, an excellent growth factor for beneficial micro-flora.* These cultures are freeze-dried to ensure long-term stability and maximum potency.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

† Colony counts are guaranteed at time of manufacture.

Contains no artificial preservatives, color or sweeteners; no wheat. Sealed for your protection. Do not use if seal is broken.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
