

Suggested Usage: Children 12 years and older: Chew or swallow 2 softgels 2 times per day or as directed by a health professional. For children under 12 years, use the Kid's Factors Balanced Omega 3-6-9 Peach Creamy Liquid. Keep out of reach of children.

Kid's Factors™ is an essential fatty acid blend that provides a balanced ratio of omega 3, 6 and 9 in a delicious, peach-flavored chewable softgel. The formula is a pure and safe source of essential fatty acids, which are extracted without solvents. It contains RbOmega-3 Factors™, a pharmaceutical grade fish oil that is molecularly distilled and guaranteed for purity and safety from environmental pollutants like PCBs and mercury.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, color or sweeteners; no corn, dairy, starch, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
