

**Suggested Usage:** Children 12 years and older: 1 softgel 2-4 times per day or as directed by a health professional. For children under 12 years, use the Kid's Factors Balanced DHA Blend Liquid.

Kid's Factors™ Balanced DHA Blend provides the proper ratio of omega 3 and 6 for overall good health.\* The formula is a pure and safe source of essential fatty acids, which are extracted without solvents. The ultra pure fish oil is molecularly distilled and guaranteed for purity and safety from environmental pollutants like PCBs and mercury.

Provided in extra small softgels for kids or adults who may have trouble swallowing pills.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

*Contains no artificial preservatives, color or sweeteners; no corn, dairy, starch, wheat or yeast. Sealed for your protection. Do not use if seal is broken.  
For freshness, store in a cool, dry place.*
