

DIETARY SUPPLEMENT

Suggested Usage: 1 softgel, 3 times per day preferably with meals (provides a total of 300 mg PS) for the first month. Then 1 softgel, 1–2 times per day thereafter (100–200 mg PS) or as directed by a health professional. Keep out of reach of children.

Phosphatidylserine (PS) is a natural component of the brain and is integral to all brain cell activity. Supplementing the diet daily with soy-derived PS supports normal and healthy brain function.*

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, color or sweeteners; no corn, dairy, starch, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
