

Suggested Usage: 1 capsule, 2-3 times per day or as directed by a health professional. Keep out of reach of children.

Glucosamine exists naturally in the body and is a building block for healthy cartilage and connective tissue. Recent studies have validated its relationship to enhanced mobility. It can protect cartilage and is also beneficial for athletes experiencing connective tissue stress.* Natural Factors Glucosamine Sulfate is tested for potency and heavy metals in order to meet our high standards.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, colors or sweeteners; no corn, dairy, soy, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
