

DIETARY SUPPLEMENT

Suggested Usage: 1 tablet on an empty stomach, 2 times per day for 3 weeks; then 1 tablet per day thereafter, or as directed by a health professional. Keep out of reach of children.

CAUTION: Individuals who are using prescription anti-depressants or who suffer from bi-polar disorder should not use this product unless under the supervision of a health professional.

Clinical research shows that SAMe elevates mood and has a positive effect on behavior. It also maintains cartilage health and contributes to the production of joint supporting compounds such as Glucosamine and Chondroitin. Natural Factors SAMe is enteric coated for maximum bioavailability.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.
