

DIETARY SUPPLEMENT

Suggested Usage: 1 capsule, 2-3 times per day or as directed by a health professional.

Natural Factors N-Acetyl-L-Cysteine (NAC) 500 mg capsules contain a highly stable form of cysteine, an important and diverse amino acid. NAC makes up Glutathione, a critical antioxidant scientifically proven to scavenge free radicals. NAC is especially beneficial for active people, the elderly and those exposed to polluted environments.*

Warning: Although NAC's active sulfur is beneficial, some people sensitive to the sulfur may experience stomach irritation.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives or sweeteners; no corn, dairy, soy, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness store in a cool, dry place.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
