

Suggested Usage: Shake or stir 2 scoops in one cup (8 fl. oz.) of juice or water daily, preferably away from meals or as directed by a health professional. Keep out of reach of children.

Enriching Greens® is a super concentrated whole foods formula containing micro-nutrient dense spirulina and BerryRich™ high antioxidant fruit concentrate. With over 40 health-promoting ingredients, each serving provides an antioxidant activity equivalent to 6-9 servings of fruits and vegetables. Supplementing your daily intake of fresh fruits and vegetables with Enriching Greens® can help promote alkaline balance and good health.* An easy to mix formula with delicious natural blueberry flavor.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial color, sweeteners; no yeast. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
