USP has tested and verified ingredients, potency and manufacturing process.

USP sets official standards for dietary supplements. www.uspverified.org.

Valid only for U.S. and Puerto Rico residents.

†This statement has not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure or prevent any disease.

MAY REDUCE THE RISK OF CORONARY HEART DISEASE

Consumption of Omega-3 fatty acids may reduce the risk of coronary heart disease. FDA evaluated the data and determined that although there is scientific evidence supporting the claim, the evidence is not conclusive.

Omega-3 fatty acids also help maintain triglyceride levels already in the normal range.†

No Artificial Colors • No Artificial Flavors

No Preservatives • No Chemical Solvents, Yeast, Starch or Gluten

SUGGESTED USE: Take one to two softgels two times daily with a meal. Keep bottle tightly closed. Store in a cool, dry place, out of reach of children.

Do not use if imprinted seal under cap is broken or missing.

Caution: If you are pregnant or nursing, or taking medication, facing surgery, have bleeding problems, undergoing any other treatment which may affect the ability of blood to clot, consult your physician before taking this product.
