

Suggested Usage: Start with 1–2 softgels per meal and slowly build up to the recommended dose of 3–6 softgels per meal. For best results take WellBetX® PGX® softgels before meals with a glass of water (8 fl. oz.) or as directed by a health professional. Keep out of reach of children.

The combination of PGX® Ultra Matrix Softgels and mulberry extract helps lower the glycemic index of your meals, slow glucose absorption and promote healthy blood sugar levels already in normal range.* The Ultra Matrix technology involves suspending PGX® in a rich coconut oil matrix, which allows PGX® fiber to disperse quickly when it reaches stomach acid. Incorporating PGX® into your daily diet will promote satiety, curb food cravings and normalize appetite and metabolism.*

Notice: A small percentage of people may initially experience minor digestive changes when taking PGX®. Slowly work up to the full dose to give your body time to adjust. It is important to drink a glass of water when taking PGX®.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial sweeteners; no dairy, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

PGX®, PGX Daily, PolyGlycopleX®, PGX Ultra Matrix Softgels Plus Mulberry and the distinct two-toned PGX Ultra Matrix Softgel Plus Mulberry capsule are trademarks of InovoBiologic Inc.

PGX® Patent Pending.
