

Directions:

Place 3 teaspoons of Växa Greens into four ounces (1/2 cup) to eight ounces (1 cup) of water, or your favorite juice. Mix completely and enjoy!

Växa Greens can be taken more than once a day. Once opened, Växa Greens are best kept in the refrigerator.

Växa Greens is an advanced synergistic blend of "Phyto-Nutrient Complex" concentrates, containing over 50 superfoods that provide you with naturally occurring vitamins, minerals, enzymes, protein, algae, and more.

This uniquely engineered **Superfood** contributes nutritive compounds and essential precursors that support many critical health functions in the body.*

Superfoods are nutrient dense whole food concentrates and extracts designed to maximize nutritional yield while eliminating the need for mass food volumes.

One serving of **Växa Greens** is equivalent to five large mixed green salads. Taken on a daily basis, **Växa Greens** can give you the much needed energy to help meet life's daily stresses and challenges.*

Warning: If you are pregnant or nursing, consult a physician before taking this product. Keep this and all supplements out of the reach of children.
