**THERMOTABS<sup>®</sup>**

Salt Supplement  
Buffered

THERMOTABS tablets are especially designed to minimize fatigue, muscle cramps or heat prostration due to excessive perspiration.<sup>1</sup>

THERMOTABS can be used by golfers, tennis players and other athletes as well as at the beach or in homes, offices, stores, kitchens or industries where high temperatures can cause heat fatigue.

**SUGGESTED USE:** One tablet with a full glass of water, five to ten times daily, depending on temperatures and working conditions.

**FOR YOUR PROTECTION:** Do not use if printed seal under cap is broken.

**WARNING:** If you have or are being treated for heart disease or high blood pressure, consult your physician before using this product. **Keep out of the reach of children.** Do not use this product if you are on a sodium-restricted diet unless directed by a doctor.

**Supplement Facts**
