

Suggested Usage: Adults: 1 teaspoon (5 ml) per day.

Children under 12 years of age: ½ teaspoon (2.5 ml) per day or as directed by a health professional. Keep out of reach of children.

Rx Omega-3 Factors™ is a pharmaceutical-grade liquid fish oil concentrate providing one of the highest potencies of EPA and DHA available. Stringent quality control standards ensure this highly purified fish oil concentrate is free from toxic environmental contaminants and heavy metals like mercury.

Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease. One serving (1 teaspoon) of Rx Omega-3 Factors™ provides 1,500 mg of EPA and 750 mg of DHA omega-3 fatty acids.

Rx Omega-3 Factors™ liquid oil has a pleasant orange flavor and is also available in softgel capsules.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, color or sweeteners; no dairy, starch, wheat or yeast. Sealed for your protection. Do not use if seal is broken. Refrigerate after opening.
