

Suggested Usage: Add 1 scoop (17 g) to 5 oz. (150 mL) of cold water and shake in a shaker cup. Take once per day and drink 30–60 minutes before a meal or enjoy at snack time, or as directed by a health professional. Drink an additional 12–16 oz. (375–500 mL) glass of water after taking PGX® SATISFAST™. Keep out of reach of children.

Get energized and satisfy your cravings in between meals or at snack time with PGX® SATISFAST™.* Drinking SATISFAST 30–60 minutes before a meal will help reduce your hunger so you will be satisfied with smaller portions, and may give you the willpower to pass up high-calorie, low-nutrient foods.* It is particularly important to start your day with a high-protein breakfast. Adding PGX® SATISFAST™ to a fast breakfast such as toast or cereal will help increase your protein consumption without adding a lot of extra calories.*

Combines the weight loss benefits of PGX with high quality whey protein:*

- Promotes healthy blood sugar already within the normal range*
- Provides soluble fiber, 10 grams of protein and only 60 calories per serving
- Helps reduce appetite and curbs cravings*
- No sugar added, gluten free – tastes delicious!

Notice: A small percentage of people may initially experience minor digestive changes when taking PGX® SATISFAST™. Slowly work up to the full serving to give your body time to adjust.

Consult a health professional prior to use if you are under 18 years of age, pregnant or breastfeeding, or have any health concerns. If you are taking medications, take one hour prior to or two hours after taking PGX® SATISFAST™.

Try other PGX® products including PGX® Daily Ultra Matrix Softgels and SlimStyles® PGX® Ultra Matrix Plus Soothe Digest™. Also try a SlimStyles® with PGX® Meal Replacement Weight Loss drink - a blend of PGX® and high quality whey protein with added nutrients that when blended with water make a creamy, delicious smoothie! Available in 4 flavors: Double Chocolate, French Vanilla, Very Strawberry and Rich Mocha.
