*Daily Value Not Established

Other ingredients: May contain one or more of the following: magnesium stearate, cellulose, vegetable stearin, dicalcium phosphate and silica.

**Equal to 900 mg of fresh garlic. Our garlic comes from Pure-Gar®, the world's largest and most advanced producer of high quality garlic products. Their process begins with high yield garlic bulbs. The bulbs are harvested and then gently cool-dried as part of a proprietary process that prevents the allicin from forming until the garlic is ingested. Each tablet is specially coated to break down in the alkaline environment of the intestines.

Pure-Gar® is a trademark of Natrol, Inc.

Garlic provides precursors to powerful antioxidant enzymes. They help protect the cardiovascular system from oxidative damage.†

Contains No Added sugar, salt, dairy, yeast, wheat, corn, or soy.

Suggested Use: As a dietary supplement, adults take one tablet, one (1) to two (2) times daily with meals, or as directed by a health care professional. Store in a cool, dry place and away from direct light.

Keep out of reach of children.
