

DIETARY SUPPLEMENT

Suggested Usage: Take 1 capsule, 1-3 times per day or as directed by a health professional. Keep out of reach of children.

Natural Factors Bilberry Extract is standardized to contain 25% Anthocyanidins in a synergistic base of whole Bilberry powder. Bilberry or "European blueberry" has been used historically for medicinal purposes and as food due to its high nutritive value. In Europe, Bilberry extracts are now part of conventional medicinal treatment of eyes. Studies show that Bilberry improves eye function, especially night-time visual acuity.* This safe herb also has a beneficial effect on the circulatory system.*

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, color, or sweeteners; no corn, dairy, soy, starch, wheat or yeast. Product has been sealed for your protection. Do not use if seal is broken. For freshness store in a cool, dry place.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
