

DIETARY SUPPLEMENT

Suggested Usage: 1 capsule, 1-3 times per day or as directed by a health professional. Keep out of reach of children.

Natural Factors Panax Ginseng capsules contain a standardized, concentrated extract of Panax Ginseng C.A. Meyer, considered the premiere variety for health promoting benefits. Each capsule has a naturally balanced ratio of the key Ginsenosides, Rg1 and Rb1, standardized to a minimum of 7%. Many clinical studies indicate that ginsenosides are responsible for Ginseng's worldwide reputation as a superior health, longevity and well-being herb. Perhaps most significant is clinical research suggesting its value as a natural adaptogen; promoting resistance to environmental stress.*

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, color, corn, dairy, gluten, starch, or yeast. Product has been sealed for your protection. Do not use if seal is broken. For freshness store in a cool, dry place.
