Institut Rosell of Montreal, Canada, a world leader in probiotics, manufactures our probiotics through a proprietary process that ensures the survivability of the cells at room temperature. Therefore, this product does not require refrigeration.

Product of Canada

Acidophilus and other friendly bacteria help to normalize a child's digestion and increase the metabolism of B-vitamins and other nutrients.†

Contains No salt, yeast, wheat, gluten, or soy.

Suggested Use: As a dietary supplement, children five (5) years and older chew one (1) tablet daily, or as directed by a health care professional. Store in a cool, dry place and away from direct light.

Keep out of reach of children.
