

DIETARY SUPPLEMENT

Suggested Usage: 1 capsule, 3-6 times per day with meals or as directed by a health professional. Keep out of reach of children.

Natural Factors Milk Thistle extract is standardized to 80% Silymarin. Clinical studies show that Silymarin has a protective, antioxidant effect on the liver, fortifying it against the undesirable effects of alcohol, smoke and harmful chemicals. These special qualities make it especially valuable for people in polluted environments. Dandelion and Turmeric are traditional herbs that also support liver health.*

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, color or sweeteners; no corn, dairy, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
