

HERBAL DIETARY SUPPLEMENT

Suggested Usage: Chew 1 tablet up to 3 times per day 20 minutes before each meal or as directed by a health professional. Keep out of reach of children.

Deglycyrrhizinated Licorice (DGL) is a safe and effective licorice extract. It is specially processed to have glycyrrhizin removed to avoid potential side effects such as elevated blood pressure. DGL improves the integrity of the natural mucus lining of the stomach and intestinal wall. It stimulates the protective factors which guard against weaknesses in these linings.*

All Natural Factors products are manufactured according to Canadian Health Protection Branch Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, color or sweeteners; no dairy, soy, starch, wheat or yeast. Sealed for your protection. Do not use if seal on cap is broken. For freshness, store in a cool, dry place.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
