

DIETARY SUPPLEMENT

Suggested Usage: 1 softgel, 1–3 times per day or as directed by a health professional. Keep out of reach of children.

CranRich® softgels are formulated with a superior source of organic cranberries that provide unique health promoting compounds.* The softgels are a potent source of cranberry powder containing a very high 36:1 ratio of concentration. (This means that 36 grams of cranberries equals 1 gram of concentrate.) The softgels are also more convenient to take than cranberry juice, without the added sugar.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, color or sweeteners; no corn, dairy, starch, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
