

SUGGESTED USE: As a dietary supplement, take one (1) capsule daily with a meal, or as directed by a healthcare professional.
THERAPEUTIC USE: Consult your Naturopathic Physician.

Based on a study of mean serum CoQ10 values during supplementation of 120mg of CoQ10 with and without 5mg of BioPerine®.

The increase in the area under the serum CoQ10 curve was 30% while the absolute change in serum CoQ10 values was 32%. This data indicates that BioPerine® may be administered safely and effectively with CoQ10 to deliver this important compound to the body in a more predictable way.

KEEP OUT OF REACH OF CHILDREN.
STORE IN A COOL, DRY PLACE.
