

SUGGESTED USE: As a dietary supplement, take two (2) capsules before bed on an empty stomach, or as directed by a healthcare professional. For best results, use this product for at least eight weeks.

Corti-Cut PM may reduce cortisol levels to help diminish fat storage and preserve lean body tissue (metabolism).*

WARNING: Do not take in conjunction with MAO inhibitor drugs. Not for use by persons with a history of malignant melanoma. Do not use if bipolar, pregnant, or lactating.
