Astragalus root, or Huang-Qi (*Astragalus membranaceus* Bunge), contains many compounds, including isoflavones, triterpenoid saponins including astragolosides I to VII, astra-membrannins, soyasapogenols, polysaccharides, choline, betaine, and kuma-takenin. This extract is standardized at 0.4% 4'-hydroxy-3'-methoxyisoflavone-7.

Suggested Usage: As a dietary supplement, adults take 1 capsule, twice daily between meals or as advised by your health care professional. If digestive irritation occurs, take with meals.

Stop use and consult your health care professional if allergic reactions occur. Note: If pregnant or nursing, consult your healthcare professional before using this product.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place. (59°-77°F/15°-25°C) (35-65% relative humidity) Tamper resistant package, do not use if outer seal is missing.
