

Kids Chewable MultiBite™ plus minerals is a comprehensive formula designed for the nutritional needs of growing children. This convenient source of important nutrients contains none of the artificial colors, flavors or preservatives that are found in many other brands of children's vitamins. Plus, the delicious natural grape flavored chewable tablets are an easy way for kids to take their daily vitamins because they love the taste. Product highlights include:

- beta-Carotene, a precursor to vitamin A, which is essential for normal vision +
- B-vitamins which are essential for carbohydrate metabolism and energy production +
- Vitamin C which is essential for healthy bones, teeth, blood vessels and collagen +
- Vitamin D which is necessary for healthy teeth and bones +
- Vitamin E which helps maintain the proper function of the cardiovascular system +
- Calcium and Magnesium which are essential for building teeth and bones +
- Iron which is essential to building blood and transporting oxygen. +

#### GNC QUALITY COMMITMENT

GNC is the leader in the development and manufacture of dietary supplements, committed to producing the highest quality products available. This commitment begins with quality designed supplement formulations. Every raw material that goes into a GNC supplement is guaranteed as to quality and potency. Each product is dated and then shipped immediately to our stores, so you can be sure you are purchasing the freshest supplements available. At GNC, we extend our quality commitment to you by offering our money-back guarantee.

#### GNC GUARANTEE

Use any GNC supplement for as little as 10 days. If you are not 100% completely satisfied, return the unused portion of the product with proof of purchase to our GNC store for a complete refund of your purchase price. No questions asked!
