

SUGGESTED USE: As a dietary supplement, take one (1) to two (2) capsules daily, or as directed by a healthcare professional.

Olympian Labs Grape Seed Extract contains 95% Oligomeric Proanthocyanidin B2-3'-O-gallate. Oligomeric Procyanidins are a more potent antioxidant than those from pine bark. Pycnogenols is a generic chemical term used to distinguish the polyphenolic class of bioflavonoids which contain Flavin-3-ols from the simpler bioflavonoids. These Pycnogenols are also called Oligomeric Procyanidins. Both these terms refer to the condensed structure of the Flavonol molecule. Olympian Labs Grape Seed Extract, through a low temperature extraction method, is completely water soluble and free of dangerous solvents and food coloring additives. Water solubility means optimum bioavailability.**

KEEP OUT OF REACH OF CHILDREN.
STORE IN A COOL, DRY PLACE.

Since  1992

OPC's from Grape Seed

Contains No Chemical Solvents • Extract 80:1

GRAPE SEED EXTRACT

Contains Oligomeric Procyanidins

120mg • 100 Capsules / Dietary Supplement

OLYMPIAN LABS INCORPORATED
