

**SUGGESTED USE:** As a dietary supplement, take three (3) to four (4) capsules daily, preferably on an empty stomach, or as directed by a healthcare professional.

As with any supplement, if you are pregnant or nursing, consult with a healthcare professional before using this product.

Hyaluronic Acid promotes moisture retention and elasticity of the skin. There are over 14 different types of collagen found in the body. Collagen Type II is the main structural building block of soft connective tissue. BioCell Collagen II™ is specially processed using patented technology that allows for maximum absorption.\*
