*"I am convinced that ArginMax® is the best male support formula available. It contains a patented blend of nutrients that has been clinically studied to support sexual health."*

### ARGINMAX®

ArginMax® for male sexual fitness is a scientifically formulated nutritional supplement that takes a natural approach toward men's sexual health.\* This patented formula helps increase sexual desire and improves sexual performance and staying power.\*

- Features 3 grams of L-arginine. This important amino acid is a building block of nitric oxide, which helps maintain blood vessel tone and plays a key role in sex.\*
- Combines American and Korean ginseng with ginkgo biloba. Ginseng is traditionally used to support vitality and overall well-being. Ginkgo biloba is one of the world's oldest living plants. It supports increased peripheral blood flow and mental sharpness.\*
- Supplies B-vitamins that are important to the activity of numerous enzymes and in the production of energy.\*
- Includes select antioxidant nutrients that help protect cells from harmful free radicals and are important for cellular health in the body.\*
- Provides 100% of the daily value for zinc. This important mineral is involved in a variety of metabolic processes in the body and is required for normal reproductive function.\*

To ensure a more complete nutritional program, be sure to include one of GNC's premium Mega Men® multivitamin formulas to your daily nutrition regimen.
