Garlic (*Allium sativum* L.) cloves contain alliin, and an enzyme called allinase which converts the alliin to allicin when the clove is bruised or digested. Alliin and allicin are sulfur-containing compounds. This extract is standardized at 1% total allicin potential.

Suggested Usage:

As a dietary supplement, adults take 1 capsule daily between meals, or as advised by your health care professional. If digestive irritation occurs, take with meals.

Stop use and consult your health care professional if allergic reactions occur.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place. (59° - 77°F/15° - 25°C)(35-65%relative humidity) Tamper resistant package, do not use if outerseal is missing.

Formula #77326
