

HERBAL DIETARY SUPPLEMENT

Suggested Usage: 1 capsule per day or as directed by a health professional. Keep out of reach of children.

Ginkgo biloba Phytosome™ capsules contain one part Ginkgo biloba extract (standardized to 24% Ginkgo flavonglycosides, 6% Terpene lactones) bound to two parts phosphatidylcholine to significantly enhance bioavailability. Ginkgo biloba is scientifically proven to improve blood and oxygen flow to the brain and extremities, supporting memory function, mental sharpness and circulation.* This makes Ginkgo biloba Phytosome™ ideal for seniors and younger persons with active lifestyles.

All Natural Factors products are manufactured according to Canadian Health Protection Branch Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives or color, no corn, dairy, gluten, sweeteners or yeast. Sealed for your protection. Do not use if seal on cap is broken. For freshness store in a cool, dry place.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
