

DIETARY SUPPLEMENT

Suggested Usage: 1 capsule, 1- 2 times per day or as directed by a health professional. Keep out of reach of children.

Green Tea Phytosome™ is the result of a unique, patented process that binds Green Tea to phosphatidylcholine (from soy lecithin). Green Tea is well known as a protective antioxidant. Antioxidants preserve cell health, which may lead to improved longevity and well-being.* The Phytosome™ complex increases the absorption, biological activity, and delivery of Green Tea, making it the most beneficial form of Green Tea Extract.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, color, sweeteners; no corn, dairy, starch, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness store in a cool, dry place.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
