

DIETARY SUPPLEMENT

Suggested Usage: 1 capsule 2-3 times per day preferably with meals, or as directed by a health professional. Keep out of reach of children.

Scientific research shows that St. John's Wort may lighten mood and support a positive emotional balance.* Remember that a sensible program of diet and exercise can enhance the benefits of this standardized herbal product.

St. John's Wort Extract (*Hypericum perforatum*) is standardized to contain 0.3% hypericin.

All Natural Factors products are manufactured in accordance to the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Warning: For occasional use only. May cause drowsiness. Do not drive or engage in activities requiring alertness. Do not take with other sedative medication or alcohol. Do not exceed recommended dose except on the advice of a health professional. Do not take if pregnant or while nursing except on the advice of a health professional. Medication may cause increased photosensitivity, avoid prolonged exposure to sunlight.
