

Black Cohosh Extract — "Every Woman, Every Day"

Black Cohosh has been traditionally used to ease the discomforts of premenstrual syndrome and menopause. For women experiencing menopause, Black Cohosh is a safe and natural way to help reduce symptoms such as hot flashes and night sweats.*

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
