Helps you maintain healthy cholesterol and blood pressure levels. ^{††}
 Keeping cholesterol and blood pressure levels within a normal range helps control two of the key risk factors for heart disease. That's why One-A-Day[®] developed Cholesterol Plus, a complete multivitamin plus heart-health supporting nutrients, including Phytosterols, to help maintain healthy cholesterol and blood pressure levels already within the normal range. ^{*}One-A-Day[®] Cholesterol Plus can help you keep your levels healthy.

If pregnant or breast-feeding, ask a health professional before use.
