

Magnesium Glycinate Formula — "Every Woman, Every Day"

MagSense® is a tasty lime drink mix that provides a convenient way to take magnesium glycinate. Magnesium glycinate is the preferred form of magnesium and minimizes gastrointestinal disturbances.*

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
