

SUGGESTED USE: As a dietary supplement, take three (3) capsules in the morning and two (2) capsules at lunch with a full glass of water, or as directed by a healthcare professional.

WARNING: Do not use if pregnant, lactating, or under the age of 18. Consult a physician or licensed qualified healthcare professional before using this product if you are at risk or have been treated for or diagnosed with high blood pressure, heart disease, thyroid disease, depression or other psychiatric conditions, renal disease, recurring headaches, spasms, have asthma or are taking asthma medications or if you are taking Monoamine Oxidase (MAO) Inhibitors. Do not use if you have an allergy to or are sensitive to salicylates.

The recommended dosage of this product is equivalent to a cup of coffee. Limit the use of caffeine while taking this product, as too much caffeine can cause nervousness and irritability.*

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
