Pygeum (*Pygeum africanum*, syn. *Prunus africana*) bark contains phytosterols, including beta-sitosterol; pentacyclic triterpenoids (ursolic and oleanic acids); and the ferulic esters of long-chain fatty alcohols such as docosanol and tetracosanol. This extract is standardized at 12% to 13% phytosterols.

Suggested Usage: As a dietary supplement, adults take 1 capsule twice daily between meals, for several months, or as advised by your healthcare professional. If digestive irritation occurs, take with meals.

Stop use and consult your health care professional if allergic reactions occur. Note: If pregnant or nursing, consult your healthcare professional before using this product.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place. (59°-77°F/15°-25°C) (35-65% relative humidity) Tamper resistant package, do not use if outer seal is missing

Formula #77364
