

SUGGESTED USE: As a dietary supplement, take one (1) to three (3) teaspoons (1 tsp / 5 ml) one time daily with meals or as directed by a healthcare professional. Refrigerate after opening to retain freshness.

RECOMMENDED USE: Add to Greens Protein 8 in 1 whole food drink mix for complete nutritional support.

CAUTION: Consult your healthcare professional before use if you are pregnant or lactating, have or have had a medical condition, or are taking prescription medication.

Tested and certified to exceed all national and international standards for purity and contaminants. Does not contain trans fatty acids. We offer you the purest, natural and molecularly distilled pharmaceutical grade fish oils available. Proprietary antioxidant blend increases product's stability by 300%. Our EPA and DHA content is measured by weight not by area %. Measuring by weight yields a scientifically accurate measurement compared to area %, which results in overstated values of DHA and EPA.*
