

Suggested Use

Take 1 capsule 3 times daily between meals.

Contraindicated for hypertension, hypotension, kidney and liver disease, and bipolar conditions. If you have a medical condition or take pharmaceutical drugs, please consult with your doctor before using this product. Keep away from children. Use only as directed on label. Safety sealed for your protection. Keep bottle capped at all times and store in a cool dry place. Natural separation may occur. This does not affect product quality.
